

Four nights at the water's edge for up to six, on Baja's East Cape.

Step into a life where the Sea of Cortez is always within reach — boats slipping out at dawn, sunlight on the water, and the legendary service of Four Seasons curated down to the smallest detail. Your home for four nights is a four-bedroom Four Seasons Marina Residence, set at the edge of the marina with the rhythm of the harbor just beyond the terrace. Beyond your door waits Costa Palmas in full: a Robert Trent Jones II course along the shore, a worldly marina village, and three kilometers of swimmable beachfront.
